INTERNATIONAL AESTHETIC MEDICAL Centre (IAMC) skin solutions take care of every aspect of skin care from exfoliation, skin tightening, skin nourishing and hydrating, rejuvenation, to sustainable skin management.

The centre uses products that have been developed by experts after years of scientific research and with a proven track record of clinical excellence. Tie-ups with the skin care solution providers have ensured that many of the products used in skin treatments are exclusive to IAMC, thus making the treatments exclusive as well. As part of their Valentine's Season Special, the centre is offering a special discount on skin care solutions till March 7. A perfect gift for individuals and couples, the centre will be offering upto 30 per cent discount on Laser Hair Removal and Acne and Scar Treatment.
